## About Us

We are pleased to introduce ourselves as Microlink Solutions Pvt. Ltd., a leading Network Consultant, System Integrator and a Complete IT Infrastructure Solutions Provider in the region. Incorporated in 1996, MICROLINK is a Private Limited Company having its Corporate Office and Project Office in Ahmedabad and branch offices at Rajkot and Surat. MICROLINK is the region's leading Networking Company specializing in connecting multi-vendor computers in enterprise-wide networks, integrating them into customer environments and providing on-going training, support and value added services. We have developed expertise and people to a level that has resulted in unmatched capabilities in handling the most demanding of inter-network requirements products and services. With the world moving towards Networking & Internetworking, the fastest growing segment of the IT industry, the mass arrival of global IT products in India exposed a latent need for specialized networking and systems integration solutions. MICROLINK was the first to anticipate this trend, and as a result, region's first truly specialized IT infrastructure company came into its own. MICROLINK - Key Strengths are:   End-to-End Integration Approach   Proven process and methodology adherence   Diversified technology solution offering   Network System Integration and Implementation   Largest Authorized System Integrator of AVAYA...
