## About Us

LEPL is a leading business house with a multisectoral presence in infrastructure – Commercial and Residential, Aviation (Air Costa), Renewable Energy, Healthcare, Education and Hospitality. Through its journey of three decades and more, LEPL has demonstrated its commitment to positively transforming the quality of life of the society at large. Steered by a core team of specialized engineers, architects, planners, administrators and construction managers with proven entrepreneurial and technical expertise, LEPL has successfully delivered projects of varying magnitudes. The solid brand equity that it enjoys today is a manifestation of its sheer farsightedness, impeccable business principles and the philosophy of putting the customer first. Lotus is an innovative European – Indian venture partnership – one of the most exciting and robust companies developing shopping centres in India today
