

# Midland Electric & Trading Co.

<https://www.indiamart.com/midlandinternational/>

We are one of the coveted manufacturers, suppliers and trader of a wide range of Stationery Products and Electrical Fittings. These products are known for their quality, superior performance, reliability, easy to install and low maintenance cost.

## About Us

Established in the year **1980**, we '**Midland International**' position ourselves as the most sought after manufacturers and suppliers of a quality assured assortment of **Stationery Products and Electrical Fittings**. Our product range is manufactured as per national and international quality standards. These products are developed using optimum grade raw material, which is sourced from the vendors having excellent track record, with the help of our highly experienced procurement agents. Owing to their excellent features like superior performance, reliability, easy to install and low maintenance cost, these are in high demand of our clients. Being a client centric organization, we try our best to maximize our client's satisfaction. For this we use superior quality raw material in manufacturing our product range. Post production, finished products are verified on various quality testing parameter to ensure their quality. The logistics personnel of our organization make sure that the consignments are delivered within the postulated time frame at clients' premises via our wide distribution network. Our firm comes under **Midland Groups**, which has 2 companies in it- **Midland International** and **Midland Electrical & Trading Company**. These were established in 2007 and 1980 respectively. Midland International deals with stationary products, whereas Midland Electrical & Trading Company deals in electrical fittings....
