About Us

A Civil & Architectural consultants are based in Vadakara, Calicut District, Kerala, India. Having over 10 years of activities in the Civil & Architectural field, with active involvement in the management, design, working drawings, construction administration, valuation of immovable properties, loss Assessment, Vasthu consultation, home loan consultation of varied size and types of projects including new construction, remodeling and additions to single and multi-family dwellings, commercial, institutional and educational projects.

Currently we focus on single family residential work, including new custom based homes, remodels and additions of varied kinds and sizes throughout the Bay Area and also in tenant improvements for commercial and retail spaces.

We strongly feel that the design of a successful project starts with the collaboration of all parties involved, maintaining client satisfaction and building good relationships with clients and consultants. We believe in unique solutions, always giving our best and creating spaces and buildings that fit our client's budget, needs, dreams and desires. Our goal is to provide excellent quality in client service, idea design, technical proficiency, budget and scheduled compliance.
