About Us

Milestone Journeys is registered with the Jammu & Kashmir Tourism government authority and I have been working in the tourism industry since last two decade experience. I have learned everything about this business from the bottom up--personalized itinerary planning, provisioning, leading treks, and guiding groups and individual travelers throughout our glorious region, we are geared to handle all modes of travel, from touring and trekking to river rafting and mountaineering. We have a professional staff trained to handle every aspect of your travel needs in a safe, friendly and knowledgeable manner. Our aim is to provide uncompromising service, so that your journey with us will be an unforgettable most memorable and truly unforgettable "moment" in your life. Milestone journeys beleive that responsible tourism is the feature of travels and better way to see the world, with us not only do you get a more authentic experience, but your holliday benefits local people and the enviroments. Ladakh being different from rest of the world in terms of climate, topography and culture, we create and design flexible programmes that meet individual interest. ensuring that your safety and health is our top priority in all phases of planning and trip logistics, we take utmost care in every types of execution no matter groups size or complexity of itinery.
