We at Milestone believe that no detail is too small for your big day. With our professional experience & acquaintance with this industry we help creatively conceptualize, design, organize, co ordinate & execute the sequence of events .

About Us

We at Milestone believe that no detail is too small for your big day. With our professional experience & acquaintance with this industry we help creatively conceptualize, design, organize, co ordinate & execute the sequence of events together for the smooth flow of your special day. We do not make decisions for you; we only help you make informed decisions. We work with the best in the industry because quality is of prime importance to us. We take care of every aspect of your wedding beginning with the concept, wedding arrangements, to their perfect execution. From creatively conceptualizing the wedding to executing it as per plan – That's our job. We understand that a wedding is a very special occasion for our clients and that is why our wedding planning & design process is very client centric and values the client's choices at every point. For us, the best outcome is a happy client. With a collective team experience of having planned a number of gorgeous weddings across Mangalore, the wedding planners at Milestone have just the right insight and ideas that you need for your wedding, translating each wedding into something truly unique and unforgettable. We assist our clients and ensure that their wedding is a reflection of their tastes and personality. Outsourcing your event to professionals at Milestone will ensure you the best. Unlike many other wedding planners available in Mangalore, Milestone events & production is not...
