Minda Group

<https://www.indiamart.com/minda-grouppune/>

Manufacturer of machine tools, CNC gear hobbing machines, CNC gear hobbing machines, vertical turning machines and horizontal machines.

About Us

Established in 1944, Premier Automobiles Ltd. pioneered automobile manufacturing in India. It is now called Premier Ltd. Today the Company's focus is on two core businesses, namely Automotive and Engineering, which operate out of its state-of-the-art ISO 9001 manufacturing plant in Chinchwad, Pune. The Engineering segment has two activities - CNC Machine Division and Engineering while the Automotive segment consists of Light Utility Vehicles and Sports Utility Vehicles. Originally based in Mumbai, Premier Ltd. relocated to its present state-of-the-art ISO 9001 certified plant at Chinchwad, Pune. Spread over 27 acres, this plant now serves as the centralised research, development and manufacturing for all activities. Engineering Premier's engineering business provides components for wind energy, power generation and infrastructure sectors. We are also a leading manufacturer of large and heavy duty CNC machines such as CNC Gear Hobbing, Shaping and Shaving Machines, CNC Gear Tooth Chamfering and Rounding Machines, Vertical Turnmill Centres, Vertical and Horizontal Machining Centres and Special Purpose Machines. Automotive Premier entered the utility vehicle segment with India's most fuel efficient SUV called the RiO, which is compact and available in diesel (CRDi4 engine) and petrol variants. Its portfolio also includes a 1.5 tonne LCV called the Roadstar.
