About Us

Mishtiship Agencies was established in the year 2015. We are trader of pulses, agro products, and dry fruits. We are being backed by our reputed vendors, who are experienced to provide products which are at par with the latest market trends. These vendors provide us best quality seeds, which are hugely appreciated by our valued clients. We store all our seeds and other products in a spacious warehouse. It protects our seeds array from moisture, insects, and other harmful factors. Moreover, in order to match the exact requirements of the esteemed clients, we provide various packaging options in diverse colors and materials. Due to our elements, we are extensively applauded among the clients.
