About Us

Established in 2014, MITR Hospitals is a 100 bedded Super Specialty Hospital situated in Noida (UP). Our highly qualified and trained doctors, nurses, administration staff and best-in-class professional expertise ensure that you avail the latest in medicine & surgery. MITR Hospitals provide a broad range of in-patient and out-patient health care services to match the needs of both domestic and overseas patient. In-Patient services include all medical and surgical services. Out-patient services include consultation, emergency services, day procedures, diagnostic and assessment services and therapy services. The Hospital is centrally air conditioned and has 100 beds divided into Single, Double and General ward categories. There are Surgical and Medical ICUs, NICU, Labour room and three high tech Operation Theatres and a dedicated area for Central Sterile Supply unit. These facilities make it the best Private Hospital in Noida providing 360 degree medical facilities under one roof. The hospital offers complete Surgical, Internal care, Neurological (Brain and Spine), Orthopaedical, Gynaecological Obstetrical and IVF and Paediatric care. The hospital encompasses a well equipped Diagnostic wing comprising of CT Scan, Ultrasound, Color Doppler, X ray and a fully Computerized Radiography system in the Department of Radiology & Imaging and a full-fledged Pathology Lab and Non Invasive Cardiology set up of TMT, ECG and Echocardiography. The Hospital's architecture has a...
