About Us

Mitsubishi Heavy Industries India Precision Tools Limited is one of the World's leading manufacturers of Gear Cutting Tools and Broaches in India with latest Technology. The pioneer in India to introduce the latest 'Drycut' technology in Gear Cutting Tool. Mitsubishi Heavy Industries Ltd.(Japan) acquired S.R.P Tools Ltd., a 42 year old company and the leader in manufacture of gear cutting tools and broaches in the country, in May 2005 and thus Mitsubishi Heavy Industries India Precision Tools Limited(MHI-IPT) was formed. This Unit is now functioning as a subsidiary of Mitsubishi Heavy Industries Limited, Japan.
