About Us

Inspired by India's rich tradition in textile design & weaving, Mittal International made its business debut in 1989. Since then, this Panipat based group has earned a global reputation for reliability and innovation for its wide range of home textile products.

Mittal group prides itself in its worldwide customer base serving the world's most reputed buyers from Europe, Australia, US and many more.

Its sister concern-Mittal Australia has a 20 years experience of working for the Australian market.

Mittal Australia has earned the reputation of being the largest bed and bath suppliers under three brands namely Luxury Living, Kylie Davis and Casual Elegance and many more.

Mittal's manufacturing plants are spread over a sprawling 120,000 sq feet of land with a covered area of 210,000 sq. feet in Panipat, just 90 kms from Delhi. It houses the yarn dyeing, ultra- modern wrapping and shuttle less rapier looms, heritage handlooms, fabric printing, dyeing and processing, embroidery, handcrafting and a state-of-the art sewing factory with internationally acceptable quality management and testing facilities.

The mechanical processing capabilities on the other hand include peaching, bathmat tufting, embossing, sheering and hand painting, enabling us widen the designing and performance options for our customers.
