Like so many companies and rock bands before us, Miz Mooz was started in a New York City basement. Thankfully we've moved up a few floors since those early days in 2001, and we're still proud to call NYC home. After a few seasons as an ...

About Us

Like so many companies and rock bands before us, Miz Mooz was started in a New York City basement. Thankfully we've moved up a few floors since those early days in 2001, and we're still proud to call NYC home. After a few seasons as an exclusive brand for a small chain of NYC stores, we found ourselves fielding calls from independent retailers eager to stock Miz Mooz in their own boutiques...
