About Us

Our incorporation, “M Jiju Silk Mills” is working in this industry for several years and these years of efforts come in an outstanding way that we are gratifying the huge clients’ base. Our association is a Sole Proprietor based venture. We have settled our main head office in Bengaluru Karnataka. Since 1997, we are matching up with the never-ending necessities of the customers, our company is a leading Manufacturer, Wholesaler, Importer and Exporter of Mulberry Silk Yarn, Silk Waste, Silk Yarn, Spun Silk Yarn, Silk Ribbon, Silk Fibre and many more. The products which we process are highly sought after by bulk manufacturers of silk material and silk products. We maintain a highly sophisticated silkworms, eggs and cocoons rearing facility, which is constantly supplied with fresh mulberry leaves from reliable vendors. Processed according to international quality standards, we have acquired a massive clientele base spanning the whole Indian sub-continent. Moreover, we are also the main source of silk-producing raw material for China, Vietnam, and Uzbekistan. We also proudly cater to more than 50 importers from India. Our products are also highly sought after in the countries of Indian Subcontinent, East/Middle Africa, North Africa, Australia/NZ, South/West Africa, East Europe, Middle East, South America, South/West Europe, South East Asia, and North America. Under the...
