We, “M. K. Agencies”, are reckoned as the most revered Manufacturer of an impeccable gamut of Fire Alarm System, Biometric Door System, CCTV Cameras, Wireless Camera, Surveillance Camera, Dome Camera, etc.

## About Us

Ever since our inception in the year **1989**, we, “**M K Agencies**”, are reckoned as the most revered traders, wholesalers and suppliers of an impeccable gamut of **Security Systems and Kitchen & Home Appliances**. These products are procured from the vendors having spotless track record, after doing extensive market research. Moreover, all the international norms are kept in mind while fabricating these products. These exhibit longer functional life, optimum reliability and cost-effectiveness. We have with us a highly sophisticated and capacious infrastructure that sprawls over a wide area. It is managed by highly qualified professionals, who hold vast experience in the same domain. Further, to facilitate systematic execution of all the processes, we have segregated it into various departments. Outfitted with all the requisite testing equipment and technologies, our infrastructure ensures that only defect-less products are delivered to the customers. Timely delivery of the consignments is taken care of by our highly dexterous logistics personnel using various easy transportation modes like **road**. In order to ease out the tedious process of monetary transaction, we accept payment through various easy modes like **cash, cheque, credit card, DD and wire transfer**. These facilities allow us to garner a vast client base, across the **Indian Subcontinent**. Our mentor “**Mr. Jatinder Singh**”, has always...
