The globe as one of the leading manufacturers, suppliers & exporters of a compendious range of attractive buttons. Designed & developed at par with the latest fashion trends, this array assortment has a high demand amongst our clients.

About Us

We “**MKK Enterprises**” begun operations late back in the year **1978**. The roots of our organization are implanted in Delhi, from where we have slowly and steadily grown covering different parts of the world. The range of attractive buttons is manufactured, supplied and exported to the clients and has thus won the hearts of many. Our products have made us stand as one of the most popular names in the global market. Perfect for decorating garments, outfits or various other items such bags, these buttons find wide applications in the apparel and fashion industry. Considering the importance of designing buttons, these are created under the strict vigil of creative experts. With their expert eye for fashion and style, they create a range that suits all tastes and outcasts other similar products offered in the market. Their fabrication is carried out at our well-equipped manufacturing unit which is installed with the latest technology machines and equipment. Further, these products are well-tested at all stages, right from the procurement of raw material till the final dispatch. This has helped us carve a distinguished niche for ourselves in the market. To accomplish this, we facilitate them with various customized products, timely delivery and reasonable pricing. Under the able guidance of our mentor “**Mr. Manoj**” it has become easier for us to reach the heights of success. His experience and knowledge have helped us understand the...
