About Us

Hey there **Mm & more** is a design collaborative based out of Gurgaon, INDIA. 'Mm' or 'millimeter' is quintessentially, '**detail**'

It's a phrase you hear often: "*design is in the details*". With design, paying attention to small details — and in some cases, obsessively focusing on “what isn't right” — can take a product, space or a composition from “nearly there” to “there” and beyond. Well we add **more**. We look forward to partner with entrepreneurs and retail chains to help them make bold statements with their branding identity, design, space utilization, comfort and ambiance.

We are passionate about helping our clients tell their stories in authentic terms that showcase their unique presence. With a diverse experience and network in retail design & build industry, we are excited to offer these services *and more*: **Design Consultancy** Architecture | Interiors | Furniture | Lighting | Allied Services **Bespoke Furniture** Seating | Workstations | Storage | Modular **Turn-Key Solution** Civil | Interior Fit-outs | MEP | Branding Signage **Photography** Architecture | Interiors | Product | Catalogue. **360° Virtual Tour** Have a look at one. Our host of complementary services mean that we can handle all of your design & fit-in needs. We have gathered the resources you need under one line, so that you...
