

M M Nissim & Co. LLP

The long standing reputation for skill and excellence has helped us to forge ahead in the profession with dedication, integrity and ethical values.

About Us

It has been in professional practice from the year 1946. It has been a long journey for the Firm and its Partners in adapting itself to meet the challenges of the profession for the future through experience and development of skills. We have our Head Office at Mumbai with a Branch Office in New Delhi. Over the years the Firm's partners strength has grown to 11 who are well supported by a full repertoire of qualified staff with technical skills, experience and knowledge to meet the demanding situation of the profession and the clients. Our Firm is registered with the Comptroller and Auditor General of India, Reserve Bank of India, Securities & Exchange Board of India, Telecom Regulatory Authority of India, Insurance Regulatory & Development Authority and Forward Market Commission. This is in accordance with the requirements for allocation of professional work for the public sector undertakings. The Firm has the unique combination of partners wherein it combines in it the experience and the knowledge of the profession and the practical problems that industry and business face today. Some of the partners have worked with the industrial enterprises before they came over. Each of the partner has a specialized area of expertise and function. This provides added advantage to our clients and helps them in their business strategy and solutions. The Firm has its clients in leading companies, both the private and the public sector undertakings, banking and varied...
