M M Bpo Service Private Limited

<https://www.indiamart.com/mmbposervices/>

We are involved in providing a comprehensive range of soft debt collection and customer services. With a unique client centric approach, we have emerged as a reliable service provider in our domain.

About Us

Established in the year **2010**, “**MM BPO Services Private Limited**”, a limited liability corporation, is engaged in providing a wide range of **Soft Debt Collection** and **Customer Services**. We are acknowledged as one of the prominent service provider in the domain owing to our unique and innovative services. We cater to a wide band of IT, telecoms, insurance, logistics and entertainment industries. Backed by a highly diligent workforce, we are able to render premium and reliable services to our esteemed customers. We have established an elaborate and ultra modern infrastructure to render these services. Our organization has also recruited the best professionals in industry who posses immense domain expertise and experience. We make relentless endeavors to provide our clients with highly optimum and effective solutions. Our organization renders all its services at industry leading prices which enable us to develop a close accord with our clients. Under the guidance of our Directors “**Mr. Rohit Malik**” and “**Mr. Harsh Sidana**”, we have scaled new heights of success. These two personalities have greatly influenced our organization with their bright approach and up-right vision to render peerless services.
