M. M. Naina & Company

<https://www.indiamart.com/mmnainaexports/>

We are leading companies, engaged in the sphere of manufacturing and exporting a wide range of woven and knitted garments. These are manufactured with latest technology and are appreciated for their trendy look and attractive designs.

About Us

Established in the year, 1948, our company, M.M. Naina & Co. holds expertise in the sphere of manufacturing and exporting a wide range of woven, baby overalls, ladies wear tops and kids clothinh and knitted fabrics. Under the able guidance of our Owner, Mr. J.A. Tajudeen, we have earned lot of appreciation in the market. His business acumen and industrial experience has also helped us in establishing our company at the zenith of the industry.

The entire garment range is manufactured using cutting-edge process technology at our modern manufacturing units located at Madras. Apart from Madras operations, we have a full fledged factory at Tirupur, Tamil Nadu. The cotton knit centre Our units are incorporated with latest machines and tools that enable us to provide unmatched quality of garments to our clients. We are also steadily keep updating the technology and machinery to keep abreast with changing economic trends and global fashions. Further, we also have proper quality testing facility that helps us in checking our fabrics on well defined parameters.

Established as a trading house, we have now developed into a full fledged manufacturing unit. During our long journey of 65 golden years, we have satisfied the most demanding customers all across the globe and earned their accolades and laurels. We are a name synonymous with quality, professionalism and ethics in the garment industry and all set to explore the new horizon into new global markets with a...
