## About Us

Mo brings to you the advantage of expertise of more than five decades. Established in 1956, we have since been wholesale manufacturers, exporters and importers of home furnishings. Today, we have presence across globe with exports to countries like. We are directly involved with the manufacturing of a large portion of our offerings in fabrics, upholsteries, carpets and furniture, making it possible to offer you a huge range, superior quality, excellent performance and great value for money.

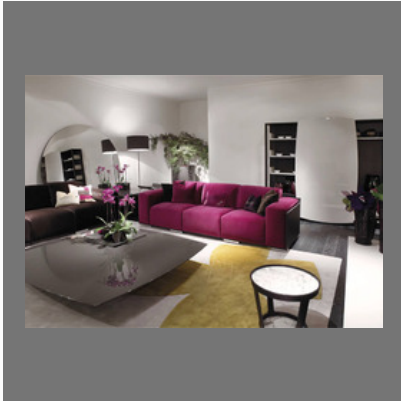

Right from our inception, we have believed that 'You deserve the best', and therefore, we are committed to offer you not just excellent products, but stellar service and complete support. To make your experience at Mo unique and fruitful, we feature the latest trends in Home Décor, along with the classic favourites. Our hand-picked designs, finishes and textures offer you the edge above others and our team of designers and experts helps you put together the very look that you have been wanting for your home. At Mo, we understand your needs and offer you end-to-end solutions; from selection of fabric to stitching, execution and final installation at your home with a friendly service and flawless execution. A visit to the Mo store will show you why Mo remains the common element in happy, elegant and luxurious homes – a fact visible in fabulous homes and thousands of happy Mo customers.
