## About Us

Mobivite is a do-it-yourself solution to create mobile-optimized websites with rich engagement capabilities. Internet is now used more on mobile devices than on desktops, we envisaged this early, and in 2009 we made it our mission to create this online solution, which helps businesses to make their websites mobile-friendly. Mobivite is also constantly adding promotion and marketing features to enable its users namely small business users, agencies and brands to deliver mobile optimized, consumer-centric experiences that drive interaction. Mobivite is Google's key vendor for the Let's Talk Mobile program too. In 2012, One97 Communications Ltd., India's leading mobile internet company, acquired Mobivite. One97 provides mobile marketing services and mobile-payments solutions to consumers under Paytm brand. One97 is backed by marquee investors SAIF Partners, Intel Capital, SAP Ventures and Silicon Valley Bank and has offices in India, Middle East and Africa.
