About Us

"BRINGING FASHION FROM THE RAMPS OF PARIS TO THE STREETS OF INDIA". Paris is the pioneer in fashion across the world, whereas Mumbai and Delhi have emerged as the central hubs of the Indian fashion scenario. Fashion is continuously drawing upon emerging talent and renewing its creative energies.

Mod'Art International Paris brings world class fashion education to India. It offers students high-quality professional training in sync with the needs of the industry. At Mod'Art, students are professionally trained with skills necessary to stay in tune with the needs of the fashion fraternity. Profile The Fashion trade is probably the industry that has undergone great change over the decades. Originally, the Indian fashion industry consisted of middle and small sized firms spread across the country. With the arrival of big financial groups over the last few decades, the International market of Indian apparel and fashion has a tremendous scope and opportunity.

Mod'Art India offers a specialized teaching program which caters to both the Indian and International market where a student can opt for training in either design or management in the fashion field.

Careers in fashion are exciting and creatively rewarding.

We strive on the Mantra that "We create designers who can change the world of Fashion". Mod'Art India **Mod'Art India** is the sister concern of **Mod'Art Paris**, a premium Parisian fashion school, known for...
