Modern Institute of Technology is committed to provide quality and standard education as well as orientation in selective fields of professional studies.

About Us

Modern Institute of Technology is committed to provide quality and standard education as well as orientation in selective fields of professional studies. It would offer vast career prospects and potentials to meet the societal needs at national and international levels. I welcome you to the family of Modern Institute of Technology. Our achievements in academics have been distinguished. We generally have cent percent results with a higher tally of credits and distinctions. Though due emphasis is given an academic disciplines, stress is also laid on extra curricular activities such as debates, declamations, dramatics, quiz contests, games, gymnasium and other adventure sports. In common with all good residential colleges, Modern Institute of Technology provides a sound all-round education that helps produce citizens who are trained not merely in body and intellect, but have some measure of compassion for the less fortunate. To achieve this goal we provide opportunities for themselves and to develop a myriad of interests. Wishing all of you the very best in life and an outstanding career by growing with our motto INNOVATE, EXCEL & SHINE.
