Monark is a young, dynamic & emerging pharmaceuticals company, with the philosophy of "Innovative Medicine with Quality commitment", where we believe in providing Quality new generation medicines everywhere in the world.

About Us

Monark Biocare Private Limited has established its business in the year **2011** as a private limited firm and is engaged in **supplying** as well as **marketing** a comprehensive range of **Tablets, Capsules, Syrups and Injectables**. We are also engaged in third party manufacturing. We procure our range from the most reliable and trusted industrial vendors that we have selected on the basis of their business experience, market credibility as well as goodwill in the industry. We do not compromise in terms of excellence, therefore follow various quality testing measures in our operations. This further helps us to deliver quality tested and effective range in the market. Besides, to make easy and hassle free transaction of money, we provide convenient payment options to the clients, which includes DD, Cheque and Cash.

All our business related task and activities are carried out under the astute guiding principles of our director, **Mr. Harish Singal** and **Mr. Ishender Mohan Singal** managing director, . Their vast business expertise and excellent managerial skills have helped us in performing our task in best possible manner and meeting the exact requirements of our esteemed clients.

Our company has developed a spacious and sophisticated warehousing department, equipped with all requisite and essential facilities for safe storage of the consignment. We have divided our warehouse into different other sections, which...
