About Us

Moneymaitree is a firm of independent financial consultant based in Ahmadabad. We offer our professional services of wealth creation and fund management for private individuals and businessman who prefer a personal approach. We build strong relationships with each of our clients and seek to maintain these over the long term.

We provide a financial solution through intensive research of current economic, social and political environment. Our core competency is customized-tailor-made-genuine product which is best suitable for our esteem client. We fully assist young entrepreneur and businessman who want to step into a new era of entrepreneurship, but do not have enough expertise and understanding of complex financial products and procedures.
