# Moonlight Fabricators

<https://www.indiamart.com/moonlight-fabricators/>

We are dignified Manufacturer, Exporter, Trader, Supplier And Service Provider of Storage Tanks and other Industrial Products. Apart from this Contact us on +91-+91- 9428114570 we also undertake Fabrication Services as per requierment.

## About Us

Established in the year, **1980**, we, “**Moonlight Fabricators**”, are an illustrious firm involved in **Manufacturing, Exporting, Trading, Supplying And Service Providing of Storage Tanks** and other Industrial Products. Designed and fabricated in consonance with the internationally approved parameters of quality, these products are offered in numerous technical specifications. We employ advanced methodologies and quality assured material in the production process so as to meet clients' demands with utmost efficiency. Our products are appreciated for their high performance, hassle free operations and longer service life. The offered products are widely used in various industries like chemical, pharmaceutical, textile and engineering, to name a few. We guarantee that our offered boilers and other equipment are defect-free under normal use. Apart from this, we provide one year services of these products from the date of their shipment. The warranty does not include cover leak, improper usage and treatment, improper fuel or electric power, maintenance or transportation damages. Further, we also engaged in rendering fabrication services using mild and stainless steel in accordance with our clients' specifications. Apart from this we export our products in **All Over World**

We make most feasible use of our potential along with the available resources, to bring forth best quality products for the clients. Our competent...
