<https://www.indiamart.com/morarchemicals/>

We are a reliable Manufacturer and Supplier of highly effective Chemical Products, Chloramine T Chemicals, Trimethyl Chemicals, Calcium Chemicals and Magnesium Chemicals. Offered range is processed as per the global set standards.

About Us

Morar Chemicals is a leading and notable organization affianced in **manufacturing** and **supplying** premium quality **Organic Chemicals, Trimethyl Chemicals, Calcium Chemicals, Magnesium Chemicals, Glycerine Triacetate, Potassium Magnesium Citrate, Chloramine T Trihydrate and Chemicals Reagent**. Under the guidance of our **Mentor “Mr. Rajendra Patel”**, we have gained huge success in this industry. Incorporated in the year **2005** at **Padra (Gujarat, India)**, we are backed by modern and well structural infrastructural base that assists us in processing chemicals in compliance with industry set standards. Our infrastructural base comprises of divisions like procurement, R & D, admin, sales, processing, quality control, transportation, warehousing, logistic, packaging, etc. Well resourced with the essential amenities, all these divisions are controlled by our deft and veteran team members. Besides, we have gained a strong and significant position in this industry due to our ethical business policies, positive records, quality-focused approach and wide distribution network.

Being a quality centric organization, we process the offered chemicals as per the global standards using high grade chemical compounds and sophisticated processing technology. Our offered chemicals are widely demanded in pharmaceutical industry. These chemicals are well known due to their properties such as purity, long shelf life,...
