About Morimura Bros Inc (Japan) Morimura Brothers Inc. can trace its roots directly to Morimura Gumi, an international trading company established in 1876, during the turbulent closing years of the Tokugawa Shogun ate, by Ichizaemon Morimura VI, a man deeply concerned about the disadvantageous foreign exchange rates of the time and one-way trade. Ichizaemon Morimura VI wrote that the raison d'etre of the company was "To promote the brotherhood of man, world peace, universal happiness, justice and humanity through foreign trade" For more than 130 years we have been active in the area of foreign trade and helped to foster global economic development and to enrich the lives of people throughout the world.

We are especially proud of the major role Morimura has played in the establishment of Japan’s ceramics industry - an industry which has become the bedrock of today’s...
