While most of us have seen the beauty of Himalayas in photographs and videos, it is worth watching it in reality - The sunrise and the sunset, the snow-clad mountains, and the different moods and shapes of the hilly terrains.

## About Us

While most of us have seen the beauty of Himalayas in photographs and videos, it is worth watching it in reality - The sunrise and the sunset, the snow-clad mountains, and the different moods and shapes of the hilly terrains.

**MEET** endeavors to take you closer to **Mother Earth** through Eco friendly **Trekking**. **MEET** has been promoted to take you in the lap of mother nature, to take you closer to MOTHER EARTH. Its objective is to take you away from the hustle-bustle of today's city life to a serene environment, to the wonders of nature ranging from lush green forests to the snow clad mountains, from the scenic sunrise at Himalayas to the breathtaking sunsets of the valleys bringing sudden chillness even in extreme summers. **MEET** organizes trekking expeditions in the Himalayan regions of Garhwal, Kumaon and Himachal Pradesh. Our aim is to let the people embrace the beauty and grandeur of the Himalayas in the most natural way ensuring an enjoyable experience which keeps you rejuvenated even after resuming the hectic city life. **MEET** caters to the groups of regular trekkers, students as well as families. The trekking and camping trips allow the participants to have shared experiences and contribute in sustaining the culture and ecology of the Himalayas. To preserve the beauty of the Himalayas, it is absolutely necessary that while we do not disturb the ecological balance of the region, we must...
