About Us

MPee Kitchenette Pvt. Ltd. is one of the leading manufacturers and Suppliers of Home Appliances in India envisioned to reach each and every household with affordable and quality appliances. With a customer base of over 1.7 Million and an experience of over 28 years, the company's Premier Brand MASTER, has created a niche for itself in the Home Appliances industry by offering excellent quality, service and safety to its esteemed customers.

Innovations have always been the trade mark of Our company which is credited for pioneering the Double Screw Handle concept to avoid loosening and rotation of Handle. The SS Weight used in all the Pressure cookers today was Our Brainchild and was developed by M/s Suparshva Industries. Only our Pressure Cookers offer you Six Super Features of Extra thick Virgin Aluminium Body, Stainless Steel Weight, Gasket Release System, Anti bulging base, Double Safety Valve and Double Screw Handle. We have introduced the 4 mm thick Cookware for sturdy, effective and long lasting usage of Products.

We Do Not compromise on Quality, even if it means adding a small amount to the MRP!

MASTER has a vast Product portfolio which includes Pressure Cookers(Aluminium, Stainless Steel and Hard Anodized) , Non-Stick Cookwares, Rice Cookers, Mixer Grinders, Blenders and Wet Grinders, Iron Box, Cook-tops, LPG Stoves (Stainless Steel and Glass Top) , Induction Cookers, Electric Coil...
