About Us

MRP Exports came into existence in the year **2000** at Ludhiana in Punjab, India. The company is engaged in manufacturing and exporting **Hub Nuts & Bolts for all trucks / buses, Wheel Nuts and Special Purpose Forged Nuts** with manufacturing capacity of 8000 Pieces per day. Unit number II is engaged in manufacturing and exporting of **Three Wheeler Parts** namely - Rear Axles, Slider Block Sets, Propeller Shafts, Gears for replacement market suitable for Bajaj / APE / Alfa. Our Brand "MRP" is known for the quality and is well in demand in all African and South American countries. Last year we came up with the III unit for manufacturing of **Adhesive Tapes** for use in Industrial Packaging. All the three units enjoy the good reputation and we are presently exporting 90% of their production to various countries. Rest part of the production is supplier & wholesaled in the domestic market. What we commit we fulfill our words and have the capability to understand the customer need in depth. Present export is in more than 23 countries of South America and African countries. In depth market study with the single piece checking lead to regularity in the quality of all our products. Also thanks to all our existing customer for their regular support. Be it managing business operations or client handling, we are sure of excellence, due to the supervision of **Mr. Harbinder Singh Malhotra (The...**
