About Us

MRS Agro Chem was established in the year 2013. We are manufacturer, wholesaler and supplier of CNSL Oil, CNSL Resin, CNSL Cake etc. We provide the best quality of the products for which we have an array of customers. With the quality standards is conducted after the formulation process. We offer our range in different quantities and compositions as per their requirements. We possess deep knowledge and vast experience of the industry and still, our thirst to learn new dimensions of the industry is not quenched completely.

We have always capitalized unified efforts of our team for supplying excellent quality products to our customers at economical prices with timely delivery assurance. With our qualified and dexterous team of professionals, we strive properly researching the latest production techniques before executing the production process. We make sure that our products are not occurred any changes in their original properties after dispatch and meet the consumer expectations. All our efforts are dedicated to fully satisfy the clients and offer products that are supreme in quality standards.
