About Us

Company Name was commenced in the year **2009**, **M/s Vipraa Earth Power**, with an affirmation to manufacturing a wide array of CIH. Offered products range consists of Mahindra Silent DG Set, Earthing Backfill Compound, and Hot Rolled Galvanized Iron Strips. This offered range is designed using ultra-modular technology. In adding to this, these products are applauded for simple design, lightweight, easy to use, and longer service life.

We have constructed a well-equipped infrastructure facility. Our infrastructure is divided into various subdivisions. All our manufacturing units assist us to fulfill the huge demands of our clients within scheduled time-frame. With the valuable assistance of a skilled team of experts and uniform management system, we carry out the processes of procuring the basic material to the delivery of quality approved products. We have segregated our infrastructure into different units for the smooth and hassle-free flow of entire manufacturing work.

Our mentor **Mr. Chandra Bhan** Singh maintains friendly relations in the company to undertake bulk orders proficiently. He guides us to deliver exceptional quality products to the patrons.
