About Us

Founded in the year **2004**, at **Secunderabad, Andhra Pradesh (India)**, we “**M. Sai Kumar & Company**” are well known **manufacturer** and **supplier** of **Industrial Products** like **Hoses, MS Studs etc.** Our range consists of **Hydraulic Hoses, S.S. Corrugated Bellows, Industrial Hoses, Pneumatic Hoses, SS Bolts, Foundation Bolts, MS Studs, Valves, Gaskets etc.** Designed with utmost precision under the supervision of experienced engineers, these products are highly appreciated by clients due to their superior quality and longer service life. The raw material used in the fabrication of these products is sourced from the reliable vendors of the market and is duly tested by our quality examiners that assure the quality of the end product. Our offered products are available in different specifications in accordance with the drawings provided by the clients.

Owing the skills and proficiency of our team, we cater these products all around the nation. We have equipped sophisticated infrastructure facility as per international standards. The products we offer find usage in engineering, mechanical and other allied industries for various purposes. These products possess features like durable finish standards, high tensile strength, precised dimensions, long service life etc.

By following the working methods and business strategies of our mentor, **Mr. M. Srinivasa Rao (Proprietor)**, we have established...
