About Us

Msquare constructions initially started with small scale jobs, but our effort, dedication towards work and our **service** to our prestigious clients as made the company to grow and have a competitive market in the field of construction since from **2009**. Msquare constructions developed a market on the field of modern construction today. Because of its continuing progress, the company was able to put its own office and able to hire qualified engineers and technical personnel. Currently, the company has a leading market which tied up with remarkable and big clients After 10years of experience in the field of construction.

We are currently operating under the leadership of **Mr. Muniraj M(Owner)**, who has rich knowledge of the domain.
