Trader of crestron touch panels, nec projectors etc.

About Us

Multee Proe India was launched with the mission to revolutionise the way business employs technology to engage and present information. In this digital & complex age, the quantity and diversity of data and information available is extraordinary! Over the time this has broadened in enabling our customer's success in the new economy through the effective application of technology in the world of large screen presentations. Multee Proe India is a premier technology consulting & trading firm specializing in providing quality solutions pertaining to large screen business presentation equipments and its delivery. Multee Proe India has always been focused & confined itself to be well within the periphery of the vastly potential large screen business presentation products market. Our introduction begins with reference to our association as channel partners & regional distributors for total range of Corel business promotion software products like Corel Draw, Corel Presents etc from Corel Corporation, Canada, with 2 Film Technologies Ontario, Canada as their sole country distributor for their range of 35 MM Computerised Digital Film Recorders / Slide Maker machines, with SONY INDIA for their range of high tech Digital Camera's, & most importantly with SolutionsNEC for their range of NEC brand of LCD & DLP Multimedia projectors as also NEC PLASMA Display's . Our solutions are designed to enable people to connect better with their customers /...
