<https://www.indiamart.com/multidecor/>

We are engaged in supplying exquisite range of Pre-Fabricated Structure. These are highly appreciated for perfect finish, smooth texture, attractive design and durability.

About Us

Incorporated in the year **1992**, we, "**Multi Decor India Pvt Ltd**," are ranked amidst the noteworthy manufacturer of an exclusive collection of **Pre-Engineered Building**. These are designed by our skilled professionals as per the latest market trends using high grade factor inputs and latest designing methodology. The use material is sourced from some of the reliable vendors of the market in compliance with international quality standards. These are extensively demanded all across the globe due to their attractive designs, durability, properly use of space, perfect finish and high tensile strength. We offer this entire range in various specifications to meet the varied requirements of the esteemed clients. Besides, clients can avail these products from us as per their precise needs through our customization facility. Located at **Faridabad (Haryana, India)**, our 'state-of-the-art' infrastructure assists us in staying ahead of our competitors in the industry. We have installed the ultra-modern machinery, equipment and advanced tools at our manufacturing unit, which empower us in meeting the bulk, urgent and customized orders of the clients. These units work in close coordination with each other to ensure that the finished products are flawless in all aspects. In addition, we are blessed with hard working and talented professionals, who have vast years of experience and understanding in their concerned domains. The unrelenting...
