About Us

Established with a dream of providing a healthier, wealthier and happier life to people, Tara Life Care Products Ltd. has always been dedicated for providing people with products that make a difference. Whether be the step of promoting Olive oil and Blended Rice bran oil in India or the step of introducing the range of Health, Skin, Hair and Oral Care products, the company always had consumers in mind.

The Company is committed to provide you the products that will create a healthier lifestyle besides providing a system for moralistic and financial development; a journey towards financial freedom. The company is constantly working towards adding value to the life of people and to the society through a host of CSR activities undertaken under the flagship of Tara Life Care Trust. At Tara Life Care Products Ltd. the golden rule is

"Food for Health, Food for Wealth and Food for Soul"
