About Us

My Plant & Stone was established in the year 2012. We are supplier of Arabian Jasmine Plant, Sunflower Seeds, Natural Marble Stone and Handicraft Items. Owing to the top notch quality of our products, we are able to sustain and flourish in the tough competition of the industry. Our personnel are very particular about the quality of these products and thereby conduct stringent checking of the same.

Over the years, we have been able to earn a remarkable position in the international market. For safe storage of the range, we have developed a spacious warehouse that is segmented into number of sections, labeled as per the product category or name. Apart from the high quality of our products, the affordable prices at which we offer them has garnered us a huge clientele for us.
