## About Us

Welcome to **mydoctorhouse**. Mydoctorhouse is a local web portal which provides free services that allows patients to find nearby Doctors along with their specialty, hospitals, Blood Banks, Physiotherapy Centers, Pharmacies, Pathology & Diagnostic Centers, GYM & Fitness Clubs, Emergency needs and all the information related to the health problems. Our main aim is to provide the best possible result to patients to find healthcare professionals.

Our mission is to provide fast, free, reliable and comprehensive information to our users and connect healthcare seekers to their right place.

These high-quality, trusted and modern family healthcare marry the gap between demand and supply of modern healthcare services. We facilitate the exchange of information and services between the seekers and providers of modern healthcare services. These services include easy access to medical practitioners, hospital, Pathology & diagnostic centers, Blood Banks, Gymnasiums & Health clubs, Physiotherapists and many more. Through our capabilities, we ensure a fast, seamless, intuitive and scalable healthcare management services at your finger tips. We provide these valuable services through our user friendly portal and with the assistance of a dedicated and experienced team of professionals.
