Mysore Marketing Network

<https://www.indiamart.com/mysoregroup/>

We are one of the prominent manufacturers and trader of Lamps and Luminaries. These are reckoned for less power consumption, environmental friendly nature, less heat transmission and long operational life.

About Us

Every fixture presented by MCSL is its expertise in the field of lighting. Backed with an assurance of quality, durability and aesthetic value, with economy. The MCSL range of luminaries is the most effective solution for all your lighting needs. And with the Company's comprehensive Lighting System Division, you can look for professional advice in choosing the right kind of Luminaire for general or specialised needs.

The MCSL offers you an extensive range of GLS, FTL, CFL, Halogen, Metal Halide, Mercury & Sodium Vapour Lamps & its Luminaries that will cover diverse applications such asl Homes, Offices, Industries, Indoors, Outdoors and Special areas.

We, The Mysore Commerce & Sales (P) Limited, incorporated as a Private Limited Company under the Companies Act 1956 (No. 1 of 1956) having its registered office at SCO 188-189, Sector 8C, Madhya Marg, Chandigarh engaged in for manufacturing and marketing of "**MYSORE LAMPS**" & "**EMMELL**" branded Electrical, Electronics and Energy Saving Products across the country and also planning to extend our operation to overseas market.
