About Us

Nagaraju Mineral Industries was established in the year 1999. It is one of the aspiring organizations which is dealing in a wide variety of Limestone powder. We are a Manufacturer and Supplier of remarkable products like Calcite Powder, Dolomite Powder, Black Limestone. Our products are made by using superior quality ingredients that are obtained from the renowned vendors. These products stay in high demand in the market due to their accurate composition, effectiveness and longer shelf life.

Blessed by a team of dedicated professionals, we have been able meeting the requirements of the clients in a remarkable way. Their ample domain experience, sincerity and skills led us to deliver impeccable quality products to customers at leading prices in the market. They execute the whole process in an efficient way and adopt very advanced production techniques to deliver customers with the best. Moreover, with the help of our modernized tools, machines and facilities, we are rigorously examining our whole product range on the basis of industry laid quality standards to ensure high quality, before the final dispatch.
