About Us

Flowers is a very personal way to express your thoughts and emotions. Whether saying Thank You, I love you, Congratulations, Get Well Soon or Thinking of you, the staff at Udaipur City pride themselves in the care they take to ensure your loved one receives the perfect gift for the occasion. A Wedding ceremony without flower decoration is incomplete. Wedding flower decorations can be of different types. One can go in for a beautiful centerpiece or a large arch, keeping in mind the need of the wedding place. One can use one's own creativity and make a unique flower decoration for the wedding ceremony. The fact that has to be taken care of is that the flower decoration should be complimenting the rest of the wedding decorations. There are innumerable types of wedding flower arrangements that can be used. A wedding bouquet should be chosen carefully. A unique and a beautiful bouquet would make a great addition to the wedding ceremony. It could be matching with the bride's body proportion, skin tone, and facial appearance and also the attire that the bride is wearing. The boutonnières are the flowers that are worn by the groom. The silk flowers or the dried flowers look great. Colour blocking is choosing a specific color or a certain combination of flowers. This is also a good idea for wedding flower decoration. One may choose red color as a theme and get red gerberas put them in a beautiful white vase on the tables covered with red tablecloth. The wedding bouquets would also be...
