About Us

Nakasi Design & Consultancy was established on the year of 2009. We are a leading Service Provider of Interior Design. Autocad Drawing Services, Bedroom Designing Services, etc. An artistic approach is what we need in our daily life to spice it up a bit, and thats exactly we do here at Nakasi. We bring a little art, little creativity to the way you live and also a few amusing looks for your guests. We hope to do all that for you too and much mor.

We are engaged in offering Bedroom Designing Services service that is highly admired by our clients. The bed rooms are designed by our highly talented designers who hold vast knowledge of this field. Our professionals render this service in accordance with the latest trends. The beautiful themes are applied while designing the bed rooms.
