## About Us

**Namosri Ventures Pvt. Ltd.** specializes in high quality and innovative food brands catering to the HoReCa segment. Products include **Coating Systems, Staple Foods, Marination Systems, Seasonings and Premixes, Whole Spices etc.** We have pan-India presence and through our international partners we serve the world. We are associated with many international companies as joint-venture partner, agency arrangements or through distributorship agreements. Our HoReCa brand "**Chef Solutions**" specializes in high quality and innovative HORECA food products. Our products include Seasonings, Marinades, Coating & Marination Systems, Staple Foods, Culinary Sauces and Frozen foods.

- Our Brand goes beyond the functional problems and takes care of the HoReCa business providing a Solution. This is driven by our equal passion for Food as you!
- Chef Solutions products are a result of an understanding that cooking is both ART & SCIENCE... giving Chefs the opportunity to play with our food service ingredients and create their own magic OR Create Standard Dishes where necessary... consistently.

### **Experts in the science of Food:**

We help chefs all over the world serve tasty, wholesome meals that keep guests coming back for more to their restaurants. We create ingredients that save precious preparation time in the kitchen, without compromising on flavour or flair. And constantly...
