

Nandni Impex

<https://www.indiamart.com/nandniimpex/>

We are reckoned as one of the leading importers and suppliers of wide spectrum of car accessories and car care products. Our commitment to quality and innovation is reflected from the fact that we offer only those products that are high grade.

About Us

Incepted in the year 1997, Nandini Impex has established itself as an eminent name in importing and supplying of wide array of interior car accessories, exterior car accessories, interior car parts, exterior car parts and allied products. We import all our products from the reputed manufacturers of China after a thorough quality inspection. We have obtained **IEC code and Export sales license** which is the reason all our transactions are persuade on ethical ground. Our liberal business practice enables us to understand customer's requirements and procure products that are aligned with their requirement. Our name has become synonymous with offering high products within stipulated time frame. Catering to our widespread clients, we have wide client based across the country and predominantly in Delhi. Our future plans are sure to strengthen our reach across country.
