<https://www.indiamart.com/nandusystems/>

We Provide Services are AMC, Buying and Selling , Chip Level Repair and more..

About Us

Nandusystems is a computer consulting company and retail store with highly experienced technical staff. We work with companies of all sizes, from small companies with just a few workstations to large companies with hundreds of workstations, multiple sites, multiple-server networks, mobile employees and home users.

We offer hardware upgrades, virus removal, and spyware removal? Bring your laptop, home PC or server to our retail and repair location for fast and friendly service for all of your needs or call us for doorstep pick up. (Within Hyderabad City)
