## About Us

Narendra Enterprise is a well-known establishment from Surat, Gujarat. Since 1980, we, the Manufacturer and Supplier of Brass Products, have been serving our clients with amazing product quality and commendable sales and after-sales services. We have 33 years of experience. Moreover, we are devoted to head forward with the goal to attain complete client satisfaction under the management of Mr. Paresh.

### Infrastructure :

We are working on a fully-facilitated infrastructure, which is backed with high tech machinery to properly forge and cast all our Metal Products. Under different departments, we manage the operations such as production, designing, research and development and finally packaging in proper order.

### Team :

We boast the support of a large team that manages the various operations of the organization in harmony. Our team comprises of proficient engineers, quality developers, research and designing experts and delivery managers. Together they have given the company a celebrated reputation on the grounds of quality and products' delivery.

### Why Us?

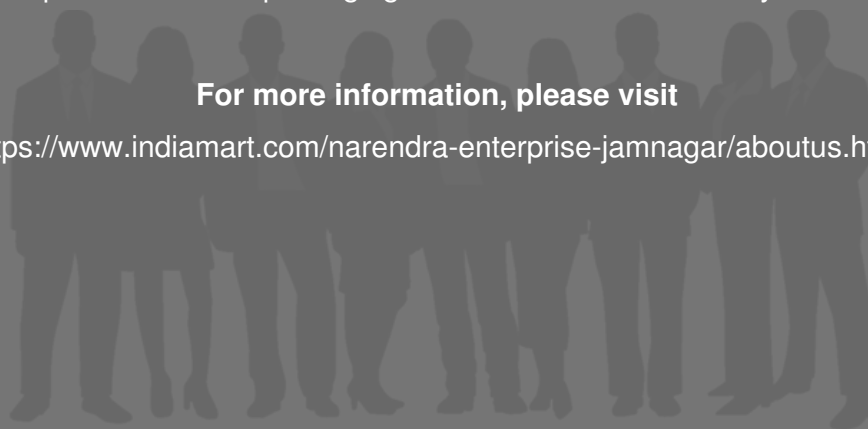

Choose us to avail the best quality Brass Products and get them designed and developed as per your specification.

We follow only the ethical business practices and provide our clients with excellent sales and after-sales services.

Also, we provide our products in safe packaging to assure their safe delivery
