## About Us

Established in the year **1999**, at **Pune, Maharashtra**, we “**Narendra Enterprises**” have emerged as one of the prominent **suppliers and traders** of a quality proven range of Dehumidifying Dryers, Blenders, Ring Plunger Set, Hopper Magnets and Cooling Towers and Chillers. This range of **Plastic Auxiliary Equipment** finds extensive usage in the Rubber Moulding Machines and Plastic Moulding Machines.

Along with superior quality products, we also strive to provide varied services like Equipment Installation and Customer Training. The After Sales Services involving Handling and Installation of the products are provided to our customers with the help of our professionals. These professionals hold in-depth expertise in the domain, enabling us to provide excellent products as well as services. Thus, we have been able to earn a huge client base across India. In addition, our quality oriented approach and customer centric attitude has helped us to maintain a reputable position in the market.

Under the efficient guidance of our mentor, Mr. R. R. Chandane, our organization has maintained a remarkable position in this sector. His vast experience in the industry, combined with sharp business acumen, has been a strong motivating factor for us and has helped us in achieving an annual turnover of 1 Crore INR.
