About Us

National Body Builders is a 21 years old company that provides wide range of products, from luxury buses and executive coaches (sleepers and semi-sleepers) to compact series vehicles like ambulances, mobile display vans and much more. We believe in developing team work & relationship of truthful trust with the entire chain of Customers, suppliers & our production people. Such a unique relationship has helped us in delivering the best value to our customers and being the customer's preferred choice for all type of busses & coaches. We are well capable of serving to large as well as small needs of your organisation. Our Customers Our customer base is expanding substantially and this expansion is due to the efforts put by our quality staff, engineers, designers, marketing executives and research personnel. It is their collective contribution which helped us win the trust of customers from all over the India. We are enriched by Strong client base from all parts of india which covers the various sectors like School buses, Cooperate Buses, Luxury buses, Sleeper Buses, Semi Sleeper, R.T.O permit Buses. Product Features There are numerous advantages and benefits of getting the automobile body constructed with the few important features are: Low fuel consumption because of light weight No wear and tear Corrosion resistance High strength to weight ratio Isotropic strength...
